Land at Knox Road, Loughborough, Leicestershire

Kraig Kerry

1 Boyle drive

LE112UN

This centre is dividing the community not making one. If it has to be, there needs to be a shut down at some point. Traffic in the area is crazy along with the new build houses going up opposite. Are William Davies telling potential customers about this eye sore in the middle of the estate? It's embarrassing that they are now asking people to help fund the centre.
