Subject: RE: Reconsultation - Davey House, Gelders Hall Road, Shepshed, Leicestershire, LE12 9NH

Good afternoon

Having considered this planning application, Shepshed Town Council wishes to make the following comments.

The bright lights would be detrimental to both wildlife along Jubilee Walk and the local residents on Belvoir Way, therefore, request that this permission not be granted.

Thank you for consulting with us and trust you will take the comments into account.

Regards
Brenda
