Subject: Re: Planning Consultation - revised description P/20/0917/2

Dear officer(s),

I do not have any specific comments for this planning application, since I cannot identify any material planning considerations, in line with the Borough Council's definitions.

If any officers, residents or members of the Parish Council substantiate any material planning considerations, I would like to have a direct communication on the issue before considering referring it to the Plans Committee.

I would be most grateful if you directly contact me on my mobile to avoid unnecessary delays related to the large volume of emails I receive.

Furthermore, in compliance with the Members' Planning Code of Good Practice, I declare that so far I have not been directly contacted by the applicant, objectors and any other parties.

I would be most grateful if you would:

1. Report this declaration to the Head of Planning and Regeneration (or delegate), and
2. Ensure this declaration is recorded on the planning file.

Thank you.

With regards
Leon Hadji-Nikolaou
