Herrick Close

LE12 7RL

I wish to object to this development for the following reasons:

1. It is too high at 2.5 storeys and will block natural light to adjacent properties as well as being an eyesore!
2. The window configuration makes it intrusive to neighbouring properties
2. Mountsorrel Lane is already a very difficult road to navigate without further vehicles entering and leaving this property.
3. We already have flood issues in the fields surrounding Herrick Close and would further building on the periphery just serve to exacerbate this?
