Subject: Planning Consultation P/20/2252/2 and P/20/2251/2

I would still like to raise a planning objection for the same reasons as those stated in my original objection sent to you by email on February 12th 2021. The revised materplan shows removal of footpaths, and the addition of the narrow green wedge against Peartree Close it does not address all the issues raised, in particular, the increased traffic congestion that will hugely impact the heart of the village.

Regards
Graham Blackwell
