NOT PROTECTIVELY MARKED

Dear Phil

I refer to the above application for planning permission which, as you know, was due a decision by 12th July. This has not been possible due to the need for additional consultations to be undertaken following the submission of revised plans showing proposed pedestrian and vehicular visibility splays.

I would therefore be grateful if your client would kindly agree to an 'extension of time' for the determination of the application until Monday 23rd August and I look forward to receiving your confirmation that this would be acceptable.

Kind regards
