The following notes should be taken into account when carrying out the

development:-

1. DEVELOPMENT PLAN POLICIES RELEVANT TO THIS DECISION - Policy CS2 of the Charnwood Local Plan 2011 to 2028 Core Strategy (adopted 09 November 2015) and Policies EV/1 and H/17 of the Borough of Charnwood Local Plan (adopted 12 January 2004) have been considered in reaching a decision on this application. The proposed development complies with the requirements of these Development Plan policies and there are no other material considerations which would outweigh the provisions of the Development Plan in reaching a decision on this application.
2. Planning permission has been granted for this development because the Council has determined that it is generally in accord with the terms of the above-mentioned policies and the Council's adopted Design Supplementary Planning Document.
3. The decision has been reached taking into account paragraph 38 of the National Planning Policy Framework and in accordance with The Town and Country Planning (Development Management Procedure) (England) Order 2015.

NOTES: **P/21/1695/2**

This notice grants planning permission only; it does not allow the demolition or work to a listed building, for which a separate consent is needed. If you are carrying out building work, you should check whether you need approval under the Building Regulations. Tel: 01509 634924/634757 or email: building.control@charnwood.gov.uk

If you are carrying out works on highway land, you should check whether you need the approval of Leicestershire County Council. Tel: 0116 305 0001 or email: information@leics.gov.uk You are also advised to check whether any restrictive covenants apply to the application site.

You can appeal to the Secretary of State for Communities and Local Government (SoSCLG) against our decision to include conditions on this planning permission. You must appeal within six months of the date of this notice, using a form which you can get from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol. BS1 6PN. Telephone: 0303 444 5000, website: <https://www.gov.uk/planning-inspectorate>

The SoSCLG can allow a longer period for making an appeal, but he will not normally do so unless there are special circumstances to justify any delay.

The SoSCLG need not consider an appeal if it seems to him that we could not have granted planning permission for the proposed development without the conditions we have imposed, having regard to planning law, to the provisions of any development order and to any directions given under a development order. In practice, the SoSCLG does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either we or the Secretary of State grants permission conditionally, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Access and provision for disabled persons.

If your proposal involves shops, offices, factories, educational buildings & buildings to which the public are to be admitted, you should check the requirements of the Chronically Sick & Disabled Persons Act 1970 (Sections 4,7,8 and 8A) requiring the provision of access facilities, car parking and toilets for the disabled and the provision of signing indicating what provision has been made for Disabled persons within the building. You should also check the Code of Practice B.S. 5810 : 1979, "Access for the Disabled to Buildings" available from the British Standards Institution, 2, Park Street, London, W1A 2BS and (in so far as educational buildings are concerned), to Design Note 18" Access for the Disabled to Education Buildings".

Access for fire brigade.

Where you make an application for approval under the Building Regulations for the erection or extension of a building, the Council will have to reject the plans unless, after consulting the Fire Brigade, they are satisfied that the plans show:

- (a) that there will be adequate means of access for the Fire Brigade; and
- (b) that the proposed works will not make inadequate any existing means of access for the Fire Brigade to a neighbouring building.
